The use of the UKAS Accreditation Mark indicates Accreditation in respect of those activities covered by the Accreditation Certificate Number 001  
Macro Revision 13

## CLIENT INFORMATION NOTE

# Using your LRQA Quality Management System approval mark with the UK National Accreditation Mark

Congratulations on your LRQA approval. To help you to make the most of your achievement we would like to give you guidelines on how and when you can use your approval mark.

This mark shows that we have approved your company's Quality Management System under the terms set out under United Kingdom Accreditation Service (UKAS) accreditation.

### Using the mark

You can use this mark on your advertising, publicity literature and stationery.

The minimum height of the outer rectangle is 25mm, and of the inner rectangle is 20mm, for all materials. For A4 materials the maximum height of the outer rectangle shall be 37mm, and of the inner rectangle 30mm (which may be increased proportionally for larger paper sizes.).

In exceptional circumstances, the size may be reduced, for example, for reasons of space limitations or cost, but the marks shall remain legible, with no infilling.

You can only reproduce this mark in one colour, this should be the predominant ink colour of the document or letterhead. It can only be used in a set configuration as shown below.

### Misuse of the mark

The mark can't be used on company buildings, flags, vehicles or on any other product, even those designed for promotional purposes. The mark relates to the approval of your quality management

system. So it can't be used on any document or packaging that may imply that LRQA has approved the product or service, including certificates.

The mark must only be used in relation to those aspects of your company's product or services covered by the scope of your approval, and in relation to the locations referenced on your certificate. You can't use the UKAS mark independently of the LRQA mark.

Correct use of the mark is a contractual obligation. Therefore, careless or knowing misuse of the mark, or if no action is taken by a customer after attention is drawn to innocent misuse, can be grounds for withdrawal of the LRQA certificate. LRQA monitors the use of the mark during surveillance and certificate renewal visits.

If your company's approval is withdrawn, you must stop using the mark and withdraw any material carrying it. Continued use of the mark in such circumstances will result in legal action being taken by LRQA.

### If the mark changes

If the mark is changed, LRQA will advise you on the action to be taken.

### Further help

If you would like any further guidance please contact your local office. Alternatively, phone our Technical Helpdesk on: +44 (0)24 7688 2359 or 0800 900012 (within the UK).

## CLIENT INFORMATION NOTE

### Using your LRQA approval mark

Congratulations on your LRQA approval. To help you to make the most of your achievement we would like to give you guidelines on how and when you can use your approval mark.

The approval mark shows that your company has been approved by LRQA in accordance with the appropriate standard.

#### Using the mark

You can use the relevant LRQA approval mark on your stationery, publicity material, company buildings, flags, vehicles, and so on. It can be reproduced in any single colour.

#### If the mark changes

If the LRQA mark is changed, the updated mark must be used when your materials are reprinted. However, your company can continue to use a superseded LRQA mark for a reasonable time.

#### Misuse of the mark

Please note that you must not use the mark to imply LRQA has approved a product or service. So, it can't be used on the product itself, nor on the primary packaging. It relates to your management system and may only be used in this context.

You cannot use the relevant LRQA approval mark on test or calibration reports, or certificates, nor on certificates of conformity

The mark must not be used to imply that certification exists other than as defined in the LRQA scope and location which is printed on your certificate.

Correct use of the LRQA mark is a contractual obligation. LRQA monitors the use of the mark during surveillance and certificate renewal visits.

The LRQA certificate can be withdrawn if a company misuses the mark and continues to do this after attention has been drawn to the misuse.

If your company's LRQA approval is withdrawn, you must stop using the mark and, where necessary, withdraw any material carrying the mark. Continued use of the mark in such circumstances will result in legal action being taken by LRQA.

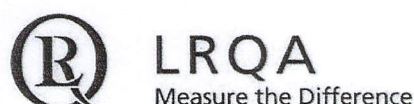

#### Further help

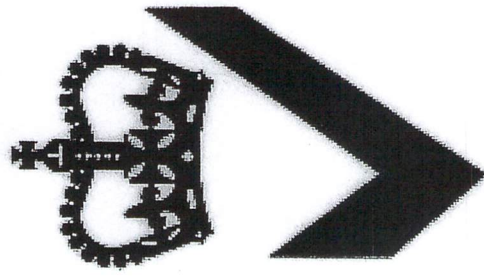

If you would like any further guidance please contact your local business centre. Alternatively, phone our Technical Helpdesk on: +44 (0)24 7688 2359 or 0800 900012 (within the UK).
